11ᵀᴴ ANNUAL BLACK DOCTORAL NETWORK CONFERENCE
OCTOBER 19 – 21, 2023 | ATLANTA, GEORGIA

CALL FOR WORKSHOPS

The Black Doctoral Network Conference Committee invites workshop proposals for the 2023 conference themed, ***Setting a Legacy: The Impact of Successful Scholarship***, on October 19-21, 2023 in Atlanta, Georgia. The annual meeting is an interdisciplinary event that brings together academics and professionals from the social sciences, STEM, and humanities fields.

Workshops provide opportunities for professional development through hands-on training and engage participants in focused discussions that offer new knowledge and resources. We welcome workshop proposals on any topic relevant to our conference attendees (undergraduate, graduate, doctoral, and professional students, faculty and other professionals in and outside of academia) that align with the conference theme of *Setting a Legacy: The Impact of Successful Scholarship*.

Previously accepted workshops included sessions on qualitative, quantitative, and mixed methodology, academic publishing, grant proposal writing, financial literacy, and dissertation boot camp. We especially welcome workshops on the following topics that align with the conference theme:

- Examining the impact of successful scholarship on underrepresented communities
- Strategies for sustaining scholarship beyond the doctoral degree
- Maximizing the impact of scholarship through community engagement
- Addressing ethical considerations in research that has the potential to shape policy and practice
- Ensuring the longevity and preservation of scholarship through effective dissemination and archiving
- The role of mentorship and sponsorship in the legacy of successful scholarship
- The use of technology in advancing scholarship and its impact on future generations
- Decolonizing scholarship and knowledge production for a more inclusive legacy

We also welcome workshops on other topics that are relevant to the conference attendees. We encourage innovative workshop formats. Workshops will be scheduled during the afternoons on Thursday, October 19, Friday, October 20, and Saturday, October 21. Each workshop is one hour in length. The workshop presenters can decide on the exact format of their session, but we encourage an interactive approach that engages participants in practical ways as much as possible.

Submission Deadline: Sunday, July 16, 2023 at 11:59PM EST.

To submit a workshop proposal visit: blackphdnetwork.submittable.com/submit

11TH ANNUAL BLACK DOCTORAL NETWORK CONFERENCE
OCTOBER 19 – 21, 2023 | ATLANTA, GEORGIA
CALL FOR WORKSHOPS

SUBMISSION INFORMATION:

Submissions must be from individuals with terminal or professional degrees or industry professionals. A CV/résumé is required as part of the application. Workshop proposals must be no more than 300 words. The deadline to submit a workshop proposal is **July 16, 2023**. Decisions regarding workshop proposals will be sent in **early August**. Accepted workshop presenters have until **August 25** to register for the conference.

Proposals must be in the form of abstracts, no more than 300 words in length. In your proposal include:

- the workshop title
- purpose of the workshop
- workshop materials (including the kinds of educational technology you might use)
- objectives and outcomes
- the intended audience (faculty, industry professionals, undergraduate students, graduate and professional students, and others outside of academia)
- the intended experience level of participants (beginner, intermediate, or advanced)
- experience and qualifications in the subject area

REGISTRATION INFORMATION:

Conference registration depends largely on membership or classification. Registration is available for graduate students, members, and non-members. By registering, you will secure full access to all conference sessions from Thursday, October 19 to Saturday, October 21, 2023. The deadline to register is August 25. To register, visit **blackphdnetwork.org/2023conference**.
